### **What you will be asked to do?**

Over a 4-month period, you'll take 3 surveys, each taking less than one hour, and spend about four hours going through either the Traumatic Brain Injury Positive Strategies (TIPS) program or another brain injury website.

### **How will you get paid?**

We will email you a \$75 Amazon Gift Card after the second survey, and another \$75 Amazon Gift Card after the third survey.

### **Who are we?**

CBIRT (Center on Brain Injury Research and Training) is a center under the Office of the Vice President for Research and Innovation at the University of Oregon. CBIRT creates online training and informational programs for persons with traumatic brain injury, families, educators, and health professionals.

### **What is this study about?**

We are developing an online resource for family caregivers of children with brain injury. This study is funded by: National Institutes of Child Health and Human Development and conducted by CBIRT.
